

Dear RoboCup Organizing Committee,

We, the KURA team, hereby confirm our full commitment to participate in the upcoming RoboCup competition to be held in South Korea.

Our team is dedicated to preparing, traveling, and competing in accordance with the rules, schedule, and standards set by the RoboCup organization. We understand the responsibilities involved and are fully committed to representing our institution and country with professionalism, teamwork, and respect.

We look forward to contributing to the RoboCup community and gaining valuable technical and collaborative experience through this competition.

Sincerely,  
KURA Team
