

Regional Committee Mexico

Mexican Robotics Federation

<https://femexrobotica.org/>

Which regional tournaments in Junior and Major took place?

Mexican Open 2024 (Torneo Mexicano de Robótica 2024)

134 teams (107 Junior, 27 Major)

501 participants junior y 179 Major)

• How many teams are active in the RoboCup 2024?

7 junior teams and 5 major teams

What are the leagues that participate in the region?

RCJ OnStage

RCJ Rescue Maze

RCJ Soccer Lightweight

RCJ Soccer Open

RCJ Rescue Line

RCJ Rescue Line Primary

RCJ OnStage Primary

RoboCup @Home

Rapidly Manufactured Robot Challenge Logistics

Outlook on Region Development

- **Please give some information how the region is being developed in the future/next year**
- Mexican Robotics Tournament 2025
- Winter Robotics School 24/25
- Service Robotics Course
- Journal or Magazine on Robotics and AI
- Conference on Robotics and AI

Miscellaneous

- **What else of importance has happened?**

Two teams from Chile participated in the 2024 Mexican Robotics Tournament

Winter Robotics School (EIR) : January 8 – 12 2024 with 21 participants and 9 robotics courses

Service Robotics Course: April to July with 10 participants
